3. [REDACTED] Left with Tom Scott, on the staff of the Senate Appropriations Committee, a copy of the draft letter which we prepared last year but did not send to Senator Stennis commenting on Senator McGovern's bill requiring the disclosure of the Agency budget. I told Scott we were reviewing and updating this draft and would have it ready for Guy McConnell in the next few days. Scott said he had not discussed this matter with Chairman McClellan and would not do so until after the Director's briefing of the Intelligence Operations Subcommittee tomorrow morning. This hopefully will assure that the issue is not raised at tomorrow's meeting.
